

## Admissions Policy

As an Ofsted registered setting, we are restricted to the number and ages of children we care for at any one time according to the number of staff working and space available as stated in the Early Years Foundation Stage statutory guidance.

I am happy to take on any baby/child and will not discriminate against children or their families for reasons such as race, religion, sex or ability. However, I would like to make the following statements:

I already drop off and collect children from Townville Infant and Nursery school and Airedale Junior School and therefore, am unlikely to be able to collect children from another school.

I am happy to take on children with specific requirements providing I feel I can provide them with the care they need and have undergone relevant training. If your child has additional needs, please discuss them with me first.

All children will be welcomed into my home and I will encourage other children in my care to support me to do this. I will request a four week settling in period on our contract, so if you or your child or I am not happy with the arrangement, it can be terminated easily. When taking on additional children, I must take into consideration the children already in my care who are happy and settled.
