

EQUAL OPPORTUNITIES POLICY

Policy Statement

I will make sure that I actively promote equality of opportunity and anti-discriminatory practices for all children. I will make sure that I treat all children with equal concern and respect.

Policy Procedure

I recognise and welcome all legislation and existing codes of practice, produced by appropriate commissions, for example the Equal Opportunities Commission.

I value and respect the different racial origins, religions, cultures, and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping. I will also not discriminate against children on the grounds of disability, age, class, family status and HIV/Aids status.

I provide and make sure that all children have access to a range of books, puzzles and other toys which provide positive images and examples of the diversity of life in our society.

I challenge racist and discriminatory remarks, attitudes and behaviour from the children in my care and adults.

I will always help children to feel good about themselves and others, by celebrating the differences which make us all unique individuals.
